

Week 3 - Jan 30, 2026 (covers week 5)

GOALState your goal for the Week	State/list the data collected relevant to
To finish revising the flowchart so it is clear and easy to understand. To finish coding a runnable beta version of the application.	N/A

STRENGTH

We successfully completed both planned goals.
The flowchart is well-organized, and the application is functional.

AREAS FOR DEVELOPMENT

The application still needs additional features, improvements in design, and further testing.

STRATEGY FOR SUCCESS

We will continue improving the application by adding features, testing and debugging the code, and refining the user interface.

State the progress you have made so far by the end of the week

By the end of the week, the revised flowchart was finished and made easier to follow.

We also finished coding a startup or beta version of the application,
which is fully runnable and shows the basic structure of the final app.
